Subject: Explanation of Name Discrepancy

Dear Sir/Madam,

Good day.

I respectfully submit this letter to clarify the discrepancy in the names reflected in the documents I have provided for my Korean tourist visa application.

Please be informed that most of my supporting documents are under my maiden name, Badillo, while my bank certificate has been issued under my married name, Rosima. Kindly note that both names refer to one and the same person.
I have attached a copy of my PSA-issued Marriage Certificate as proof of my change in civil status and the use of my married name.

I sincerely hope for your kind understanding regarding this matter. Should you require any further clarification or additional documents, I would be more than willing to comply.

Thank you very much for your time and consideration.

Respectfully yours,

Lota J. Badillo
